

## Who is GRACE CONNECT?

Grace Connect SARL is a Fintech founded by experienced risk managers with a track record of successful implementation of non-financial risk management frameworks.

Our GRC Suite embeds all relevant modules to ensure adherence to regulatory requirements and support a smart and efficient deployment of the risk culture within your organization.

The GRC Suite is designed to enable a user friendly, digital and efficient way of dealing with information required to manage non financial risks.

## Our expectation

This event brings together experts and thought leaders in governance, risk management, and compliance, and we are proud to support it as provider of the Grace Connect GRC Suite. This is an opportunity to connect with like-minded professionals and gain insights into the latest trends and best practices in the GRC field.

In order to survive in today rapidly evolving and volatile business environment, companies need to be able to integrate quickly new information, screen emerging risks, implement new regulatory requirements, build effective response strategy.

In this context, it is key to be supported by cutting edge technology enabling a fast collection, analysis and integrated view of the risks companies might face and ensure their data are processed and stored in a secured way.

## What can visitors find at our stand

If you're attending the forum, we invite you to visit our booth to learn more about how Grace Connect GRC Suite can help you manage your non-financial risks in a holistic way.

Our team will be available to answer your questions and showcase our innovative solutions. You can also book a demo with us in advance to get a more in-depth look at our product. We look forward to seeing you there!
